CLUBMEN IN MANCHESTER

Olympians Will Pitch Their Tent at Ocean View on July 10th.

FIGHT ON HER PUMP HOUSE

Opposition to Appropriation May Develop in City Council. Dr. Hill's Resignation.

held a social session after the transaction of business. The "fixins" were enjoyed by the members, and Colonel Allen, the caterer of the club, was couplimented on the excellence of the spread that was placed before the members.

The place for the summer vacation was decided upon, and, as heretofore, the camp will be pitched at Ocean View, to be kept in running shape from the 10th to the 9th of July. The club members and their families will enjoy the outing, as they always do.

For Pure Water.

For Pure Water.

A member of Council said last night that while the citizens generally were clamoring for clear water, he thought there would be opposition in Council to the proposed appropriation of \$35,000 for new pump house and engines. He thought the present plant good for several years to come, and he could not see the way to the expenditure of so much money at this time.

Another member of Council was enthusiastic over the proposition to erect a complete plant with clear water for the comparatively small sum of \$35,000.

"We will be compelled to have a new plant soon," he said, "and then opportunity may not present itself, when we most need the plant. There is no telling when our old machinery may break down, it's been in constant use for more than fifteen years.

"Another proposition that is most pleasing to contemplate in my mind is that of increased revenue that is possible from a new plant and clear water. Many citzens do not use city water now, because of its condition. With the new plant, the supply will always be sufficient, and it may be in acceptable condition."

Dr. Hill Resigns.

Dr. Hill Kesigns.

No one has yet been mentioned to fill the vacancy occasioned by the resignation of Dr. E. G. Hill as president of the Board of Health. His resignation is now in the hands of Council. At the joint session of Council in a few weeks a successor will be chosen, as well as an entire school hoard, water commissioners and a gas inspector.

REMOVAL.

Advertising is like news—it is the accuracy not the amount, the information and not the novelty that counts. The Times-Dispatch Want Ads, have always made an effort to keep out all objectionable or mislending advertisements, desiring rather to make and keep The Times-Dispatch Want Ads, a trustworthy directory for everyhedy's needs, than to print a much larger number of misleading or undesirable advertisements. Every day we refuse to insert advertisements that seemingly are all right, but which we know by experience are meant to defraud, and even when an advertisement, which is on its face herfectly honest, proves to be unreliable, we instantly stop its publication. As a matter of fact, The Times-Dispatch Want Ads furnish the most complete and valuable business directory ever published in a paper in Viginia—but complete for incomplete, many or few. The Times-Dispatch Wants will always be printed with the single idea of giving honest advice to the public and honest results to the advertiser.
